WARNING

1. Can only be used on a smooth, flat, non-porous surface.
Not applicable surface:
 - a. Coating surface;
 - b. Natural marble surface;
 - c. Old tile surface;
 - d. Breathable wallpaper;
 - e. Diatom mud wall;
 - f. Unpainted wood surface;
 - g. Frosted glass surface;
 - h. Other rough or breathable material surface;
2. When using this product on the exterior of vehicles such as automobiles and motorcycles, please choose flat roads. And make sure that the product is attached to a smooth and even area, and the vehicle's speed is strictly controlled below 80km/h. If conditions permit, it is recommended to use a safety lanyard attached to the product to avoid accidents or loss. The other side of the lanyard can be tied to a fixed object.
3. Not recommended for surfing, skiing or other high impact sports.
This product is only suitable for non-impact activities.
4. Please take note of the instruction for the correct detachment of your Suction Cup Mount.
Damage caused by unusual use is not under warranty.
- 5 To prevent accidental falls, please avoid using this product with extension accessories like extension poles.
